THEY TRAIN MILITARY AND LAW ENFORCEMENT TEAMS. LET THEM TRAIN YOU.

Meet two members of our elite Miami-based training team.

“D” started his career in the US Coast Guard. After completing an intense training program, he was selected to serve as an assault team member of the Department of Homeland Security’s only counter terrorism unit, the Maritime Security Response Team (MSRT). During his time on the team, he traveled to conflict zones all over the globe and distinguished himself as a master breacher, advanced insertion expert and master trainer. Now in the private sector, “D” serves as a “subject matter expert” (SME) in counter terrorist techniques, aiding various agencies within the US government. He consults and trains soldiers, law enforcement and private individuals both in the US and abroad.

“Z” is a current active duty Navy SEAL who has spent 17 years in the United States Navy as a SEAL Operator, with the last 8 at SEAL Team 6. He is a qualified NSW Sniper and has subject matter expertise in surveillance and intelligence gathering. Z has multiple deployments to the Middle East and South America in support of the Global War on Terror and counter narco terrorism operations.

FAQ: COVERT OPS – HOMELAND DEFENSE

Where is Covert Ops – HD Training Offered? : Primary training takes place in downtown Miami, within a special 9000 sq ft indoor training facility utilized by law enforcement and military teams.

Who can participate? Training is designed for healthy adults capable of passing a basic background check. This is an active adventure so a reasonable level of physical fitness is recommended. All participants are required to sign a Release of Liability.

What training equipment is provided? Your enrollment fee includes expert training, use of facility and safety gear, gun rental, simulated ammo, mission planning, role players and lunch. (Some programs also include optional videographer and full tactical gear.)

What kind of weapons are used? Standard programs feature the use of handguns and the same UTM non-lethal training ammunition utilized by military and law enforcement teams. (Groups have the option to add “live fire” training at a nearby shooting range.)

What is the recommended group size? Our standard program is designed for 4 to 10 participants. Custom programs are available for smaller and larger groups.

What does it cost? Pricing varies according to group size and mission profile. (Training for a group of four ranges from \$6700 to \$9600 or \$1675 to \$2400 per person.) Call for a custom quote.
